## ODOUR NEUTRALISER INFORMATION SHEET

### USE:

A ready to use, fast acting neutraliser with a zesty lemon fragrance.

### DIRECTIONS:

Can be used on most surfaces and is suitable for use against urine, tobacco smoke, food smells, pet odours, vomit etc.

Remove gross contamination before treatment, thoroughly wet the area with product and allow to dry onto fabric, wiping other surfaces dry.

Blot fresh urine spills with paper or towel, thoroughly wet the area with product, remove excess liquid and allow to dry.

Treat old spills first with hot water extraction machine, then wet the area with neutraliser, allow a short period to react and extract the residue.

Always test a small area first to ensure no damage may occur.

### TECHNICAL:

Physical state:	Liquid
Colour:	light yellow
Odour:	Lemon
pH:	4 – 7
Flash point:	> 65 °C
Density:	0.99 – 1
