

HARD SURFACE CLEANERS

1624/13 & 6624/13
1 LITRE & 5 LITRE

LEMON CLEANSER GEL INFORMATION SHEET

USE:

A powerful all-purpose cleaner that tackles the toughest household dirt fast. The gel targets dirt, fights grease and lifts stains (sugar loaded coffee, soup etc) all at once. Ideal for cleaning floors, walls, counter tops, kitchen equipment or the bathroom. Also great for use on cleaning grout by creating a good foam for lifting the dirt from grout lines.

DIRECTIONS:

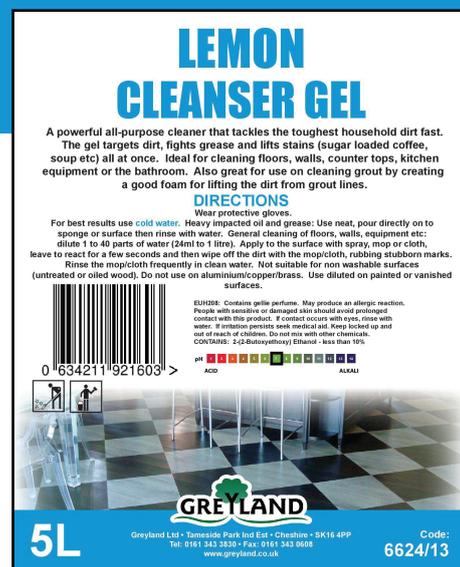

Wear protective gloves.

For best results use cold water. Heavy impacted oil and grease: Use neat, pour directly on to sponge or surface then rinse with water. General cleaning of floors, walls, equipment etc: dilute 1 to 40 parts of water (24ml to 1 litre). Apply to the surface with spray, mop or cloth, leave to react for a few seconds and then wipe off the dirt with the mop/cloth, rubbing stubborn marks. Rinse the mop/cloth frequently in clean water. Not suitable for non washable surfaces (untreated or oiled wood). Do not use on aluminium/copper/brass. Use diluted on painted or varnished surfaces.

TECHNICAL:

State:	Liquid
Colour:	Yellow-green
Odour:	Characteristic odour
Oxidising:	Non-oxidising (by EC criteria)
Solubility in water:	Soluble
Viscosity:	Viscous
Flash point°C:	>70
pH Level:	7.5

PERSISTENCE AND DEGRADABILITY: Biodegradable.
