## BLU-MAXIMUM READY TO USE INFORMATION SHEET

### USE:

Blu-Maximum RTU is a powerfully versatile, food safe cleaner and degreaser suitable for use on most washable hard surfaces and equipment. Specially formulated to dissolve and remove grease and grime leaving a spotless finish. Designed for use in most areas including bakeries, breweries and abattoirs. Can also be used due to its versatility in the engineering industry, print works, hospitals and machine shops. Also ideal for the general cleaning of floors, walls (interior and exterior), paths and roofs.

Non-perfumed and non-tainting in use.  
Ideal in kitchens and the food industry.

### DIRECTIONS:

Wear protective gloves.  
Apply to the surface using spray, leave to react for a few seconds and then wash or wipe off the dirt with a hose, mop or damp cloth, rubbing stubborn marks.  
Vertical surfaces should always be cleaned from the bottom up to avoid unsightly streaking.

### TECHNICAL:

Physical State:	Liquid
Colour:	Light blue
pH:	> 11
Density:	1 – 1.01
